25X1A

MEMORANDUM FOR: [REDACTED] OSI

SUBJECT: Request for Information

We have scheduled a series of operational flight tests involving the use of the latest U. S. Air Force fighters against the U-2. It is requested that you submit to this office the most probable attack procedures and speeds that would be utilized by Soviet aircraft during the next year and any recommendations of flight syllabus to be performed. This is to include day and all-weather fighters.
